

## **INFORMATION FOR FOREIGN STUDENTS**

## FACULTY OF ENGINEERING – UNIVERSIDAD DE ANTIOQUIA (UDEA) MEDELLÍN – COLOMBIA

| Information to apply for an academic exchange at the UdeA |   |  |
|---|---|--|
| PROGRAMS AND<br>COURSES                                   | Look for the UdeA Faulty of Engineering programs and courses<br>at:<br>http://portal.udea.edu.co/wps/portal/udea/web/inicio/institucional/u<br>nidades-academicas/facultades/ingenieria/programas-academicos  |  |
|   | First Term of the year: February to June.<br>(Classes start approx. in February/Classes end approx. in July)  |  |
| ACADEMIC CALENDAR   | Second term of the year: August to December. (Classes start approx. in August /Classes end approx. in January)  |  |
|   | NOTE: as a public institution, the dates for the start and end of<br>the semester depend on the situation of the university. In this<br>moment (Jan. 2019), we are in the 2019-2 academic semester<br>(until May 2020); however, currently there are some situations<br>(student strike) at the University, so we are not sure if it is<br>necessary to redefine the academic calendar.<br>The academic semester 2020-1 would start at the end of May<br>2020 or beginning June.<br>I suggest to keep in touch with us in order to confirm this<br>information before the nomination of candidates. |  |
|   | • For the first term: from February to April.   |  |
| APPLICATION<br>DEADLINES                                  | • For the second term: from August to October.  |  |
|   | For further information, go to: <u>http://goo.gl/cqgHJ3</u> (Spanish) / https://bit.ly/33V6e9r (English)  |  |
| LANGUAGE<br>REQUIREMENTS                                  | Foreign students should submit a Spanish language certificate,<br>issued by an authorized institution, to demonstrate their Spanish<br>level (Common European Framework of Reference B1 or B2)  |  |
|   | See all the requirements, documents and application forms at:<br>> Home > International students > Undergraduate Exchange<br>Program  |  |
|   | Documents needed for an Academic Exchange (one or two semesters):   |  |
|   | <ol> <li>Official transcripts (academic record) in Spanish or in<br/>English.</li> </ol>  |  |

|                     | 2. A certificate of proficiency in Spanish issued by an   |
|---------------------|---|
|                     | accredited language institution with at least a B1 CEFR   |
|                     | level. The previous requirement only applies to students  |
|                     | coming from non-Spanish speaking countries.   |
| HOW TO APPLY        | <ol><li>A letter of intent, explaining the candidate's interest in<br/>participating in an exchange program (to be written in</li></ol> |
|                     | Spanish)  |
| REQUIREMENTS,       | 4. A recommendation letter from a faculty member at the   |
| DOCUMENTS AND       | home institution.   |
| APPLICATION FORM    | 5. Nomination letter from home university.  |
| (ACADEMIC EXCHANGE) | 6. Copy of valid passport.  |
|                     | 7. Exchange application form from Universidad de Antioquia.   |
|                     | Note: at their arrival, students must go to the:  |
|                     | Unidad de Movilidad Nacional e Internacional (UMNI),  |
|                     | Faculty of Engineering-Universidad de Antioquia   |
|                     | Office: 21-100<br>Phone number: (+57 4) 219 85 00   |
|                     | Schedule:   |
|                     | From Monday to Thursday:  |
|                     | In the morning from 8:00 a.m to 12:00 m.  |
|                     | In the afternoon from 01:00 p.m to 05:00 p.m  |
|                     | Friday:   |
|                     | In the morning: from 7:00 a.m. to 12:00 m.  |
|                     | In the afternoon: from 1:00 p. m. to 4:00 p. m.   |
|                     | All the documents required to apply to the academic program of  |
|                     | interest should be sent, only by e-mail, by the home university to:   |
| HOW TO SEND THE     | Dirección de Relaciones Internacionales (International Affairs  |
| APPLICATION         | Office), Universidad de Antioquia<br>E-mail: movilidadinter@udea.edu.co   |
|                     | (Please send the documents scanned, in <u>a single</u> PDF, with a  |
|                     | good resolution).   |
| Before arriv        | ving to the UdeA take into account:   |
|                     | All the exchange students accepted by Universidad de Antioquia  |
|                     | should get an international health insurance, for the entire  |
|                     | exchange period, with coverage in Colombia.   |
|                     |   |
|                     | Note: in all cases the health insurance should include repatriation   |
|                     | coverage.   |
| HEALTH INSURANCE    | At their arrival, students should submit, for their registration  |
|                     | process, their Health insurance card or certificate at the Unidad de  |
|                     | Movilidad Nacional e Internacional (UMNI) Office  |
|                     | Faculty of Engineering -Universidad de Antioquia  |
|                     | Office: 21-100  |
|                     | Phone number: 2198500   |

|                    | Every foreigner interested in visiting Colombia for academic  |
|--------------------|---|
|                    | reasons may enter the country with an Integration and   |
|                    | Development Permit (abbreviated PID in Spanish) or a visa.  |
| VISA / STAY PERMIT | The PID is stamped by migration outborities at the arrival circort  |
|                    | The PID is stamped by migration authorities at the arrival airport<br>upon entry into the country. Students coming from countries |
|                    | whose citizens do not require a visa to enter Colombia and that   |
|                    | have been accepted for an academic exchange of less than six  |
|                    | months must present their letters of acceptance to Migración  |
|                    | Colombia when entering the country for the issuance of this   |
|                    | permit. Learn more here.  |
|                    | As for the visa, it should be requested in the home country and   |
|                    | applies for stays exceeding 180 days (six months).  |
|                    | This is a program leaded by the International Relations Office,   |
|                    | where students from UdeA help foreign students to get acquainted  |
|                    | with their new cultural and academic context.   |
