STUDENT NOMINATIONS & APPLICATION DEADLINES

AUTUMN SEMESTER

Partner nomination deadline: 01 May

Student application deadline: 15 May

SPRING SEMESTER

Partner nomination deadline: 04 October

Student application deadline: 14 October

Please be advised we are unable to accept late nominations or applications

Our international exchange nomination form can be downloaded at the following website:

https://www.wit.ie/international/exchanges/incoming_students

Or you can email Damien O'Connell who will send you the form: doconnell@wit.ie

After the nomination has been received, we will email your student with the following information:

- Subject Guide – listing of available modules (under our inter-institutional agreement)
- Instructions on how to complete our online application form
- List of the documents the students need to submit to complete their application

Required Application Documents:

- PDF scan of the completed online application form
- PDF scan of passport: the page with the passport number and photograph
- PDF scan of the signed, stamped and dated learning agreement

When the students' application has been officially accepted we will send them an email acceptance letter and information on preparing for their life in Waterford.

HEALTH & TRAVEL INSURANCE

All international exchange students coming to WIT are advised to take out comprehensive health and travel insurance before coming to Ireland. Private health and travel insurance may be obtained from either the students' home country or from an Irish provider.

Students should be advised that participation in the Erasmus+ programme abroad involves certain inherent risks which the exchange student must assume. The risks associated include, but are not limited to, responsibility for damage to or loss of property, personal illness or injury and death while the exchange student is a participant in the programme.

Although WIT takes all necessary steps to mitigate these risks and to provide assistance in time of need, the student must take responsibility for ensuring personal safety and security during the study placement. The student must assume responsibility for taking out adequate personal travel and health insurance, some of the main providers in Ireland are:

- Halligan Insurances, TEL: 00353 18 797100, WEB: www.halligan.ie
- O'Driscoll O'Neil Study and Protect, TEL: 00353 16 395800, WEB: www.studyandprotect.com
- The Voluntary Health Insurance Board (VHI), TEL: 00353 18 724499, WEB: www.vhi.ie
- Laya Healthcare, TEL: 0035 321 2022000, WEB: www.layahealthcare.ie
- Aviva Europe, TEL: 001890 717717, WEB: www.aviva.ie/health

Module Selection Exchange students may select modules from the Subject Guide **only**, which will be sent to the student after we have received their nomination form. The maximum number of ECTS credits students can study per semester is 30 and the minimum is 15. The majority of modules at WIT are worth 5 ECTS. Modules have between 3-4 hours of classes each week.

IMPORTANT: *If students select modules from different programmes and different years' there will be clashes in their timetables. We advise students to discuss this with their academic advisor and to select a number of alternative modules to be approved in case of a timetable clash occurring. Please be advised the timetables are released at the start of the semester.*

We deliver a timetable workshop as part of our international induction programme to assist students in creating their timetables.

Academic requirements

Students must have successfully completed all modules in the sending University and it is the responsibility of the coordinator whom nominates students for exchange, to nominate students that they believe have the ability to successfully complete exchange studies at WIT. Students do not require a specific GPA in order to register on the WIT Student Exchange programme.

English Language Requirements

Exchange students are not required to submit proof of their English language proficiency. Partner institutions are expected to select students who have the required standard of English as set out in our inter-institutional agreement.

English Language Modules for Exchange Students

WIT offers three English language modules worth 5 ECTS each at the following levels:

- B1
- B2
- C1

IMPORTANT: *Please be advised we cannot guarantee classes are scheduled every semester due to resource limitations. If they are scheduled, the student will be advised of this during the induction programme. Places are limited and cannot be guaranteed and are awarded on a first come first serve basis.*

*Students can attend **one** level only and they are required to attend **all** 3 hours of classes per week.*

Exam and Assessment Registration

Students are generally given two weeks from the start of semester before they must submit a "**Course Registration Form**" to the Office for International Relations. This form is provided to our Examinations and Registry Departments to register the student for their exams.

Exam timetables are released between 4-6 weeks prior to the exams.

The Office for International Relations at WIT provides information and support to **non-European students** regarding arranging their study permits. We hold a visa workshop as part of our international student induction programme.

Information regarding visas can be found on our website at https://www.wit.ie/international/admissions/pre_arrival_information_for_international_students

For queries please contact by email: international@wit.ie

INTERNATIONAL STUDENT ORIENTATION PROGRAMME

Our international student orientation programme is mandatory for **all** international exchange students. We will email all accepted students the orientation programme schedule, which will also be available on our website a 2-3 weeks before the start of semester at the following link: <https://www.wit.ie/international/exchanges/induction-and-online-registration-exchange>

TRANSCRIPT OF RECORDS

A scan copy of your students' official transcript of records will be issued by email. A grading structure will be included with the student's transcript of records. Details on the European Credit Transfer System (ECTS) can be found at https://ec.europa.eu/education/resources/european-credit-transfer-accumulation-system_en

If you have any queries regarding your students' transcript, please contact Mr Damien O'Connell: doconnell@wit.ie

ACCOMMODATION, COST OF LIVING & TRANSPORT

Students are responsible for sourcing and securing their own accommodation. For a listing of accommodation providers in the area please go to our website at the following link: <https://www.wit.ie/international/admissions/accommodation>

For the average cost of living in Waterford and other useful information please go to the following link: https://www.wit.ie/images/uploads/About_PDF/International_Student_FactSheet.pdf

WATERFORD CITY

- Waterford is Ireland's oldest City, founded by the Vikings
- It is vibrant, filled with historic sites, the celebrated Waterford Greenway and the stunning coastline is awarded with UNESCO Global Geopark status
- It is a safe and welcoming student-friendly city with a compact city centre where you can go everywhere by foot or bicycle and with good public transport and no pollution or traffic problems
- Great shopping, cultural events and festivals
- The city is awarded Purple Flag status, a Gold Standard accreditation recognising Waterford city as a safe, vibrant, and welcoming destination for residents and visitors.
- See the Visit Waterford website for more information on experiencing the magic of Waterford:
