The academic year is divided into two semesters, the first one starts at the beginning of September until the end of January and the second one stretches from January till the end of June. The start and end dates of classes are different from one school to another and

depend on the study year in which student enter the school. Please refer to the host School to know exactly when the semester is beginning and ending.

Exams

Students will register to courses at their arrival directly in Schools. Undergraduate students may take graduate courses if and only if they meet the prerequisites and it fits in their schedule. Students are encouraged to select courses of the same year level and in the same field of study to avoid any conflict of schedule.

The start and end dates of exams are different from one school to another. Please refer to the host School to know exactly when the exams are beginning and ending.

Additional information

Welcome guide for international students

Available on ISSO's [website](#) (International Students & Scholarship Office).

International students Association

Members of the « Bureau International des Etudiants (BIE) » greet foreign students as soon as they arrive in Grenoble, and then help them with all the administrative tasks needed to settle into the city. The International Student Board also organises numerous events throughout the year (parties, visits, ski weekend, etc...)
