

ESTP

PARIS

Building a more
sustainable world for
tomorrow

July 2022

Fact sheet

A private, non-profit and of public interest Graduate School founded in **1891**

A “Grande Ecole” that graduates the greatest number of executives for the construction industry **each year** in France : **+ 1 000 graduates**

The **2nd French leading engineering school** in Civil Engineering (Eduniversal ranking)

A French « Grande École »

A human-scale graduate school

- ✓ 2 500 students each year

With high level engineering programmes

- ✓ High selective entrance examination
- ✓ Further science, technical skills, soft skills and managerial capacities
- ✓ Introduction to Research & Innovation
- ✓ Cross cultural & international awareness
- ✓ Work experiences / Internships

An engineering degree accredited by the Royal Institution or Chartered Surveyors

A network of various campuses around France

CACHAN

Engineer Degree

All Majors available
Double Degree Engineer Architect
Bachelor's Degree (3y) & Associate Degree (2y) in Construction Management

DIJON

Engineer Degree

Major in Civil Engineering
Smart City Minor

PARIS

Continuing & Executive Education

Specialized Master's
Corporate training courses
In-house training
Validation of acquired experience

TROYES

Engineer Degree

Major in Building Construction
Smart Construction Minor
Double Degree Engineer Designer
Bachelor's Double Degree Architecture & Engineering

A few figures

45 000
alumni since the
school foundation

+ 1 000
yearly graduates

50
nationalities
20%
of international
students

50
students
associations

75%
of the teaching
faculty come from
business and
industry

+ 150
partner companies

30%
young women
students

30 lecturer-
researchers
10
research labs

Research & Innovation

Introduction to applied research & innovation

- ✓ Entrepreneurship projects
- ✓ Industrial projects

The Constructability Research Institute

- ✓ A research institute dedicated to construction industry changes
- ✓ 20 PhD students et 30 researchers
- ✓ Partnerships with companies, research labs and partner universities
- ✓ Four Research Chairs

Concrete
materials

Engineering

Engineering Master degree in French academic system

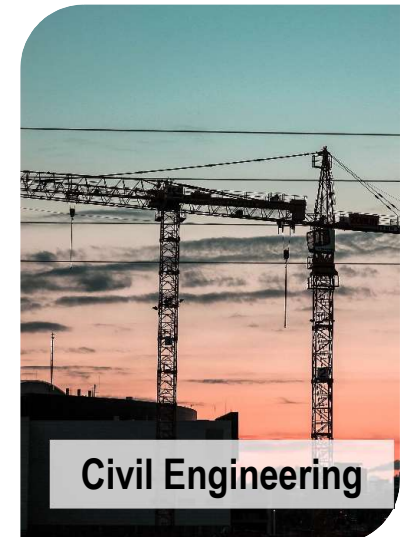

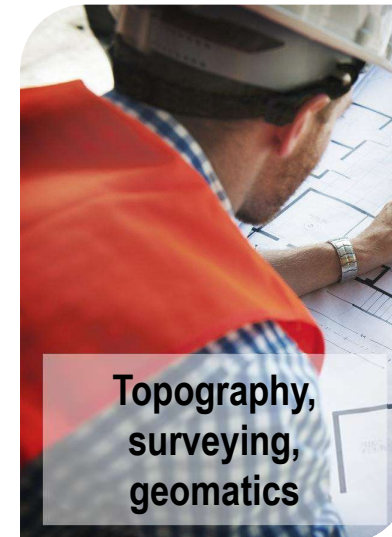

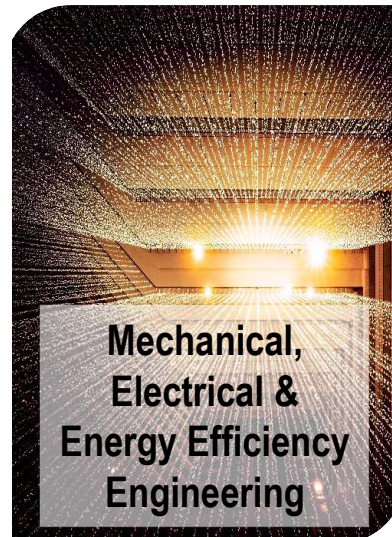

Year	Semester	Programs			Degree
8		PhD			PhD
7		PhD			
6		PhD			Specialized Master's Degree
5	9-10	Engineer course / Master	Master (M2)		Master
4	7-8	Engineering course	Master (M1)		
3	5-6	Engineer course with entrance exams	Bachelor's Degree (L3)	Professional Bachelor's degree (with CNAM)	Bachelor
2	3-4	Scientific Preparatory classes	Bachelor's Degree (L2)	Specialist Associate Degree	
1	1-2	Scientific Preparatory classes	Bachelor's Degree (L1)	Specialist Associate Degree	
A-Level					

The ESTP Engineer master's degree

- ✓ A 3-year engineering degree courses
- ✓ Accessible after a first Degree (Bachelor/Master) from an international institution

✓ 4 majors taught in French, to choose from :

✓ 1 major taught in English :

Civil Engineering Master Degree taught in English

An English-taught 2-year Graduate Program

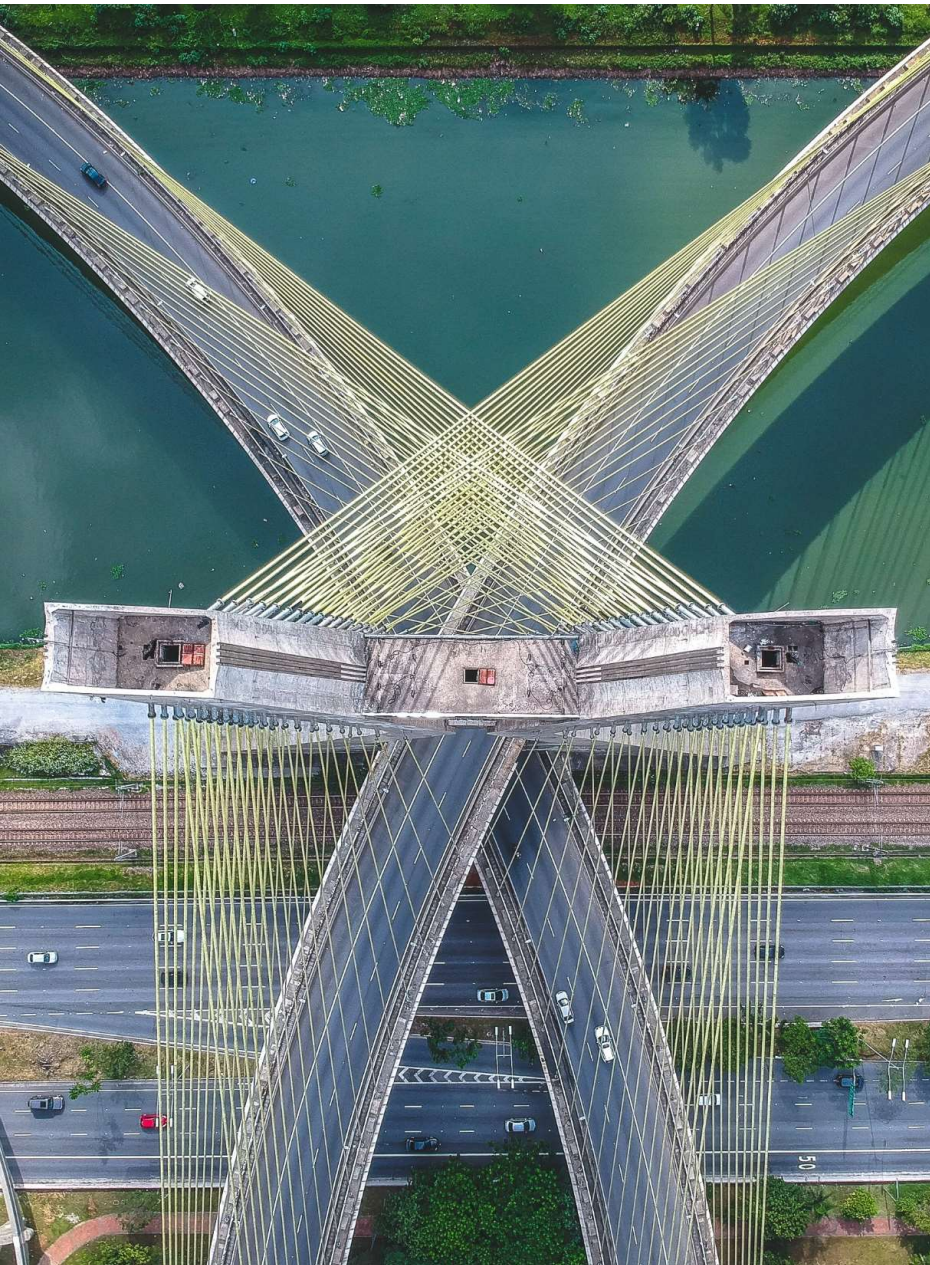

A multicultural experience

- ✓ French language courses
- ✓ International visiting professors
- ✓ Students' multicultural profiles

High level engineering classes

- ✓ Project based learning
- ✓ Minors to choose in 3rd year

A wide range of 15 minors

Admissions & practical information

Official nomination from your university

Registration

- ✓ Registration on the website [plateforme ESTP](#) and the website [Etudes en France](#)
- ✓ Before the end of June
- ✓ Application documents

Choice of courses – Learning Agreement

Recommandations in terms of languages

- ✓ Curriculum in English: B2 level in English and A2 level in French
- ✓ Curriculum in French: B2 level in French and A2 level in English

Tuition fees :

- ~~✓ 8.700 € / year~~

A network of + 150 partner companies in the construction industry and business

The image displays a collection of logos for partner companies, arranged in a grid-like fashion. The logos include:

- VINCI ENERGIES** (Parrain de la promotion 2021)
- spie batignolles**
- FAYAT** (Parrain de la promotion 2022)
- COLAS** (WE OPEN THE WAY)
- NGE** (Parrain de la promotion 2024)
- Bouygues Immobilier**
- LEON GROSSE**
- LEGENDRE**
- AS AptiSkills**
- SAINT-GOBAIN**
- egis**
- setec**
- Sogetrel**
- RAZEL-BEC**
- SENDIN**
- CUSHMAN & WAKEFIELD**
- ARCADIS** (Design & Construction, Infrastructure and Built Assets)
- SOCOTEC**
- BOUYGUES CONSTRUCTION**
- MAZARS**
- DEMATHIEU BARD**
